

BETWEEN the LINES

by Boyd Cable

read by
Delmar H. Dolbier

Boyd Cable

This book, all of which has been written at the Front within sound of the German guns and for the most part within shell and rifle range, is an attempt to tell something of the manner of struggle that has gone on for months between the lines along the Western Front, and more especially of what lies behind and goes to the making of those curt and vague terms in the war communiqués. I think that our people at Home will be glad to know more, and ought to know more, of what these bald phrases may actually signify, when, in the other sense, we read 'between the lines.'
(Summary by Boyd Cable)

Read by Delmar H. Dolbier. Total running time: 5:51:39
